Honorable Judge Douglas P. Woodlock
John Joseph Moakley US Courthouse
One Courthouse Way
Boston, MA 02210

Dear Your Honorable Judge Woodlock,

I am requesting a motion for a reconsideration of my F&A Six Month Federal Sentence to run concurrent with my three year state sentence. I understand the seriousness of violating my probation and the court's trust in me. I have taken full responsibility for my mistake.

This sentencing is preventing me from participating in some programs at MCI-Framingham that I can benefit from. These are advantage programs, work, educational opportunities along with the rehabilitation I need to become an honest and worthy citizen again.

I am also willing to be on complete home confinement by electronic bracelet if my request for the six month sentence to run concurrent is denied.

While incarcerated at MCI-Framingham, I have remained from having any type of disciplinary reports along with good conduct. The Department of Corrections Commissioner's office has suggested that I continue to request my Federal Sentence to be revised, so that I am able to participate in their DOC pre-release programs which is low security for non-violent felons.

The Commissioner's office of the DOC has the last say in whether an inmate is approved or denied. Therefore, I am requesting Your Honor for my sentence to be re-considered to run concurrent with the state or home confinement by electronic bracelet.

All of the programs that I want and need to participate in will be beneficial for my rehabilitation. It is very important that I get back into society and become the person that I should be. I am also looking forward in becoming a counselor for women who are in transition and recovering from drugs, incarceration, etc.

I am hoping that I have built enough trust that is needed adequately for my sentence to be reconsidered, so that I can be part of the programs that is offered and being part of society again.

I am looking forward to your response and thank you for your time.

Respectfully Yours,

Casandra B. Littles, #T95024
